To

The Secretary to the Government of Mysore,
General and Revenue Departments

SIR,

I have the honour to inform you that it is necessary to sink a well in the compound of the new building of the Government High School at Chikballapur, the water being required for the laboratory, the plants in the garden and other purposes. The proposed well is estimated to cost Rs 470 in accordance with an estimate prepared by the Executive Engineer, Kolar Division. The estimated cost includes the D P W establishment charges, and the work will have to be carried out through the agency of the P W D. I request that Government may be pleased to sanction the estimated cost of Rs 470 for a well in the compound of the school referred to, the amount being met from the allotment sanctioned

for Taluk School Buildings in the educational State Funds Budget of the current official year. The estimate of Rs 470 is forwarded herewith for reference and kind return. This amount of Rs 470 will be in addition to an appropriation of Rs 5000 sanctioned for the Chikballapur High School Buildings in Govt order No. 950T-2 / E7719-96 dated 29th January 1901

I have the honour to be,
Sir,
Your most obedient servant
